**JUDGMENT**

Case of the petitioner is as follows:

Petitioner is a first year B.Sc. Microbiology student studying in the second respondent's college. When she got an offer of a seat in an Engineering College, she decided to join. She approached the second respondent for TC and marklist and they refused to issue it. It is stated that the first respondent has to issue the TC and return the marklist of the Plus Two Examinations. Petitioner also demands return of the amount collected as Course and Establishment fees.

2. Today, when the matter came up, learned counsel for respondents 1 and 2 submitted that if the petitioner files a fresh representation for grant of TC and return of the documents and the money paid as fees, the second respondent will consider the matter sympathetically within three weeks.

Accordingly, the writ petition is disposed of recording the submission of respondents 1 and 2 and there will be a direction that if the petitioner files a representation as aforesaid, the second respondent

will consider the matter and take appropriate decision sympathetically within a period of three weeks from the date of receipt of the representation.
